Debit Order Authorisation

Bank: _____
 Branch Name and Town: _____
 Branch Code: _____
 Account Number: _____
 Type of account: Current (Cheque) Savings Transmission

I / We hereby request, “instruct” and authorize you to draw against my / our account with the above-mentioned bank the amount necessary for payment of the instalment due in respect of the above mentioned on the 5th day of the agreement.

All such withdrawals from my / our bank account by you shall be treated as though they had been signed by me / us personally.

I / We understand that the withdrawals hereby authorized will be processed by computer through a system known as the ACB Magnetic Tape Service, and I also understand that the details of each withdrawal will be printed on my bank statement or on an accompanying voucher.

I / We agree to pay any bank charges relating to this debit order instruction.

Cancellation of this authority will only be considered in accordance with the terms and conditions of the standard IQ Retail Software Licence Agreement. I / we understand that I / we shall not be entitled to any refund of amounts which you have withdrawn while this authority was in force if such amounts were legally owing to you. Receipt of this instruction by you shall be regarded as receipt thereof by my / our bank (whichever it is or will be).

ASSIGNMENT:

I / We acknowledge that the party hereby authorised to affect the drawing (s) against my / our account may not cede or assign any of its rights to any third party without my / our prior written consent. I / we may not delegate any of my / our obligations in terms of this contract authority to any third party without written consent of the authorized party.

Authorised by: _____ on the _____ day of _____ 20_____.

Please send completed forms to:
igsua@kerridgecs.com

Please take note of the following:

For certain transfers which are processed from legacy banking electronic delivery channels, please be advised that due to a technical limitation on such systems you are required to drop the first digit of the account number reducing it to eleven digits i.e. 121-031223-001 would need to be 21-031223-001

As South Africa has no registered format for an IBAN number, for any international transfers should be processed by including all the details shown above, branch address and code
